### **Subject: Data and Technology Transition**

---

#### **Recommendation:**

**Action:** Give consensus to move forward with the proposed data and technology transition.

**Background:** For several years, LinkLite Network Technologies has been the City's contractor for IT services. Due to unforeseen circumstances, Link-Lite Network Technologies is merging into another firm and will no longer continue services with their current setup. All technicians that previously worked on our network are no longer associated with Link-Lite or their new parent company.

**Discussion:** The City needs to transition the data currently stored from LinkLite's servers to another provider. Pi Managed Services is a division of The Kincaid Group, and a local provider in Bonner Springs. They have provided some work to the City over the past couple of months in light of the unforeseen changes with our current provider. American Digital Security Technology Services (ADS) is another division of The Kincaid Group that works on our access control and camera systems. Working with these two divisions would keep all technology services under one company which helps with understanding our network as a whole. ADS is also assisting with the new water plant project. All departments met with Pi to discuss network needs across the City. The unanimous recommendation from all departments is to move forward with Pi.

To transition the data and accounts from the servers at LinkLite to a new solution will take an estimated 160 hours of IT work. This work was quoted apart from any service contract we would put in place. Part of this work will be to transition the Police Department's email domain from the current locally hosted solution to join the City's email account. They will keep their @bonnerpd domain. Another priority is to transition the City's server data backups from the current locally hosted solution to a more reliable cloud-based storage solution, which will be a new cost to the City. The last item to transition the network is to migrate the current locally hosted wireless network to an on-site location, and our current firewalls need to be updated to ensure optimal security.

In addition, there are several precautionary services the City should adopt. Taking into consideration the recent cyber security concerns of nearby organizations, this protection is vital to the protection of our data and the continuance of operations. One of the most common threats to any organization is malware in emails. Mimecast is a service add-on to our email which would filter all messages, provide training to staff, and allow for encrypted, secure emails to protect outgoing data. Another protection is antivirus software which we currently utilize. As we transition, we will review all devices and update these software licenses as needed. For the most stringent security, we could also integrate a network security solution called Arctic Wolf. We have requested a quote for the service, which we know is costly. The benefit of this solution would be continuous network security monitoring that would alert us to all detected threats and abnormalities in the system. Once we have this quote, we can bring it

forward for consideration.

**Financial Impact:** The proposed cost to transition the network is \$24,812, which includes \$15,200 for an estimated 160 hours of labor and \$9,612 for firewall devices. Following the migration, we will have a separate agreement for time and materials as needed which is attached. The estimated annual cost for email security protection will be approximately \$23,930. This cost can be decreased through reducing the number of accounts. A rough estimate for cloud-based storage solution is \$5,000 annually, but would depend on which provider we choose to utilize. Altogether, the cost to transition and protect our network is estimated to be \$48,742, not including the wireless controller device, current antivirus software, or Arctic Wolf security.

## MANAGED SERVICES AGREEMENT

**THIS MANGED SERVICES AGREEMENT (“Agreement”)** is made and executed as of April 15, 2022 (“**Effective Date**”), by and among City of Bonner Springs, having its principal place of business at 200 E. 3rd Street Bonner Springs, KS 66012 (“**Client**”), and Pi Managed Services LLC, having its principal place of business at 23889 W. 40th St., Shawnee, KS 66226 (“**Consultant**”).

**WHEREAS**, the Client desires to contract with Consultant to perform in accordance with terms of this Agreement; and

**WHEREAS**, Consultant desires to perform certain services for Client, on an independent contractor basis as set forth in this Agreement.

**NOW THEREFORE**, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto agree as follows:

- 1. Services.** Consultant agrees to perform the services set forth in **Exhibit A (“Services”)** in a timely, expeditious and professional manner. Client agrees that the performance of the Services may either be done on site at Client’s facilities or remotely as determined by Consultant.
- 2. Compensation.** For satisfactory performance of the Services, Client shall pay Consultant for the performance of the Services as set forth in **Exhibit B (“Compensation”)**. Consultant will submit invoices, which will describe the Services performed and expenses incurred pursuant to this Agreement. Upon written request from Client, Consultant shall provide documentation of its expenses. Payment of such invoices will be due within forty-five (45) days of the receipt thereof.
- 3. Term.** The term of this Agreement shall commence on the Effective Date and shall continue until April 15, 2023. The Agreement will be automatically renewed for successive one (1) year terms unless Client notifies Consultant in writing not less than thirty (30) days prior to the end of a given Term that Client is terminating the Agreement.
- 4. Termination.** Either party shall have the right to terminate this Agreement at any time, for any reason, by delivery of a written notice thereof to the other party, which notice shall state the effective date of termination, which shall not be not less than sixty (60) days after the date of delivery thereof.
- 5. Independent Contractor.** In the performance of the Services hereunder, Consultant shall be deemed an independent contractor and not an employee of Client. Consultant is not an agent of Client, nor is it authorized to transact business, enter into agreements, or otherwise make commitments on behalf of Client unless expressly authorized in writing by an officer of Client. Client will not pay or withhold federal, state, or local income tax or other payroll tax of any kind on behalf of Consultant or its employees. Consultant is not eligible for, not entitled to, and shall

not participate in any of Client's pension, health, or other benefit plans. Consultant is responsible for the payment of all required payroll taxes, whether federal, state, or local in nature, including, but not limited to income taxes, Social Security taxes, Federal Unemployment Compensation taxes, and any other fees, charges, licenses, or payments required by law. Consultant indemnifies Client, and its agents, officers, employees and trustees, and holds each harmless against any fines, damages, assessments, or attorney fees in the event a court or administrative agency shall find that Consultant or anyone or entity engaged through Consultant is an employee of Client.

**6. Work Quality.** The Consultant warrants to the Client that the Services provided will be of good quality, in conformance with the best efforts of the profession and in conformance with this Agreement.

**7. Work Product.** Any data, reports, drawings documents or other things or information provided by the Client to the Consultant during the performance of Services under this Agreement and any reports, drawings or other writings required under the Services of this Agreement shall be and remain the sole property of the Client at all times. The Consultant shall return or provide to the Client such documents, etc. by the completion date and before full payment of the compensation herein.

**8. Compliance.** Consultant shall comply with all applicable federal, state and local statutes, laws, ordinances, codes and regulations relating to the performance of the Services and its other obligations hereunder, and shall procure all license and permits and pay all fees and other charges required thereby. Consultant shall comply with all Client policies applicable to independent contractors.

**9. Client Responsibilities.** Client will:

- (a) Use of the Equipment and Software as authorized with suitable operating supplies.
- (b) Ensure that the software and equipment is used in a proper manner by competent, trained employees only.
- (c) Cooperate to a reasonable extent with Consultant's personnel in the diagnosis, investigation and correction of any faults or issues in the software or equipment.
- (d) Notify Consultant promptly of any faults, issues or failures.
- (e) Keep full backup copies of data, software and computer records in accordance with good computer practice.

**10. Data Security.** All facilities and other resources used to store and/or process Client Data will employ reasonable and appropriate administrative, physical, and technical safeguards to secure such data from unauthorized access, disclosure, alteration, and use. Such measures will be no less protective than those used to secure Consultant's own data of a similar type, and in no event less than reasonable in view of the type and nature of the data involved. Consultant will use industry-standard and up-to-date security tools and technologies such as anti-virus protections and intrusion detection methods in providing the Services under this Agreement.

Consultant will update its tools and technologies during the course of this Agreement as industry standards change and updated tools and technologies become available.

**11. Limitations of Technology.** The Client acknowledges that technologies are not universally compatible, and that there may be particular services or devices that the Consultant may be unable to monitor, manage, or patch. The Consultant agrees to inform the Client when such a situation arises. The Client agrees to correct the situation if applicable, and to hold the Consultant harmless in any case. Patches and antivirus definitions are distributed by their respective software vendors, and as such, the Consultant has no direct control over the effectiveness or lack thereof of the software being applied. The Consultant shall not be held responsible for interruptions in service due to patches released by software vendors.

**12. Confidentiality.** All data, material, books, records and information in any format or medium (including provided orally) submitted or made available to Consultant by Client, or any other person acting on behalf of Client (collectively, “**Client Data**”), unless otherwise publicly available, and all data and information, and other work developed by Consultant under this Agreement, shall be utilized by Consultant solely in connection with the performance of the Services under this Agreement only and shall not be made available by Consultant to any other person unless required by law.

**13. Disclaimer Of Warranties.** Consultant does not warrant the uninterrupted or error-free operation or provision of the services, that the Services will be free from interruption, the Services will be secure from unauthorized access, that the Services will detect every security or other vulnerability of Client’s computer systems, or that results generated by the Services will be error-free, accurate or complete. All information, materials and services are provided to Client “**As Is**”. Except as specifically set forth in this Agreement, Consultant hereby disclaims all representations and warranties, express or implied, including, but not limited to, warranties of merchantability, fitness for a particular purpose and noninfringement.

**14. Limitation of Liability.** Consultant will not be liable to Client or any third party for any of the following arising out of this Agreement and/or the Services: Client, for any reason, does not utilize any of Consultant’s recommended Data Security as set forth in Section 9, unauthorized access, modifications or alterations, unlawful or prohibited use, failure of Client to follow Consultant’s direction’s, instructions or recommendations, any special, indirect, incidental, punitive, incidental or consequential damages of any type or kind, whether based upon breach of warranty, breach of contract, negligence, strict tort or any other legal theory, and whether or not Consultant is advised of the possibility of such damages, including, but not limited to, damages for any loss of profits, revenue or economic advantage, loss of data, equipment downtime or interruption, error or omission in the content or data, cost of substitute services or labor, or loss of goodwill. Client acknowledges and agrees that Consultant’s aggregate liability to Client for any damages, losses, fees, charges, expenses and/or liabilities, including reasonable attorney’s fees, arising out of this Agreement and/or the Services shall not exceed the greater of Five Hundred Dollars (\$500.00) or the fees paid by Client pursuant to this Agreement for the six (6)

month period immediately prior to the first occurrence of the applicable damages, losses, fees, charges, expenses and/or liabilities. Client acknowledges that the limitations on liability were specifically bargained for and are acceptable to Client. Client's willingness to agree to the limitations of liability set forth in this Section was material to Consultant's decision to enter into this Agreement. The limitations on liability set forth in this Section shall be enforceable to the maximum extent permitted by applicable law.

**15. Non-Hiring.** During the term of this Agreement, and for a period of twelve (12) months after termination hereof, neither party shall directly or indirectly, knowingly solicit, hire or otherwise retain, as an employee, consultant or independent contractor, any employee of the other party, within one (1) year of the employee leaving the employ of the other party, unless previously agreed to in writing by the other party.

**16. Notice.** All notices required pursuant to this Agreement shall be written and shall be delivered by (i) hand-delivery; (ii) nationally recognized overnight delivery service (such as FedEx, UPS, DHL, or USPS Express Mail); or (iii) electronic mail with verification of receipt. All such notices and other communications shall be addressed to the other party at the address set forth in this Agreement or to such other address as a party may designate by notice complying with the terms of this Section. Each such notice shall be deemed delivered (i) on the date delivered if by hand-delivery; (ii) on the date delivered or the date delivery is refused by the recipient, if by nationally recognized overnight delivery service; or (iii) upon verification of receipt if by electronic mail.

**17. Force Majeure.** Except for payment obligations, the parties shall not be responsible for failure to render any obligation due to causes beyond its reasonable control, including, but not limited to, work stoppages, fires, civil disobedience, riots, rebellions, floods, war, acts of terrorism, pandemics, government directed area-wide closures, delays in transportation, accident, failure of Client to provide a suitable operating environment for Consultant, hardware malfunctions caused by defects in software or otherwise, failure of Client to allow Consultant

access to its computer system, acts of God and other similar occurrences. The obligations and rights of the parties shall be extended on a day-to-day basis for the duration of excusable delay.

**18. Third Parties.** This Agreement does not and shall not be deemed to confer upon any third party any right to claim damages to bring suit, or other proceeding against either the Client or Consultant because of any term contained in this Agreement.

**19. Assignment.** This Agreement is for personal services predicated upon Consultant's special abilities or knowledge, and Consultant shall not assign this Agreement in whole or in part without prior written consent of the Client. Notwithstanding the foregoing, Consultant may subcontract any parts of the Services as determined by Consultant.

**20. Entire Agreement.** This Agreement constitutes the entire agreement and understanding between the parties and supersedes any prior agreement or understanding relating to the subject matter of this Agreement.

**21. Modification.** This Agreement may be modified or amended only by a duly authorized written instrument executed by the parties hereto.

**22. Severability.** If any of the provisions of this Agreement shall be invalid or unenforceable, such invalidity or unenforceability shall not invalidate or render unenforceable the entire Agreement, but rather the entire Agreement shall be construed as if not containing the particular invalid or unenforceable provision or provisions, and the rights and obligations of the party shall be construed and enforced accordingly, to effectuate the essential intent and purposes of this Agreement.

**23. Enforcement and Waiver.** The failure of either party in any one or more instances to insist upon strict performance of any of the terms and provisions of this Agreement, shall not be construed as a waiver of the right to assert any such terms and provisions on any future occasion or of damages caused thereby.

**24. Nonexclusive Nature.** This Agreement does not grant Consultant an exclusive privilege or right to supply services to the Client. Client makes no representations or warranties as to a minimum or maximum procurement of Services hereunder.

-Gurley moved and Shannon seconded to resume the open meeting with no action taken at 8:11 p.m. Unanimous approval.

## **REPORTS**

### **Item No. 1: City Manager's Report:**

- Asked everyone to complete the citizen survey and community housing survey for the City.
- Congratulated Jerry Wisthoff on achieving his KDHE Operator Class II Water certification last week.
- Stated he was elected to the Midwest Public Risk board of directors for Kansas.

### **Item No. 2: City Council Items**

- Woods stated the department reports were wonderful.
- Gurley asked if the playground surface being replaced at Lion's Park is at the end of its life or if it was damaged. She has received questions about Starbucks coming into the old Burger King building; she noticed site work has begun.
- Reeves stated Spring Creek from Metropolitan to Morse needs repair. He provided pictures of the areas he feels need repair. Reeves stated the lawn around City Hall and the Police Station doesn't look as nice as some he has seen in Johnson County and he is disappointed that the contractor didn't remove the dirt and replace it with other dirt. He asked about code enforcement for some specific properties in town.
- Stephens announced the City Band concerts begin June 9<sup>th</sup>, please send jokes. The Kiwanis club is holding their annual pancake breakfast on Saturday May, 7<sup>th</sup> from 7-11am at the Edwardsville Community Center. The old Thriftway building is still in disrepair, is the City at a point where removal can be forced? Is it time to look at raising the councilmembers' pay to make sure people can serve and participate without experiencing a financial strain?

### **Item No. 3: Mayor's Report**

The meeting adjourned at 8:35 p.m.

\_\_\_\_\_ Christina Brake, City Clerk

## Memorandum

Date: May 9, 2022  
To: Mayor and City Council  
From: Tillie LaPlante

**Subject: Presentation and Acceptance of the 2021 Audit**

---

**Recommendation:** The Finance Director recommends approval

**Action:** Make a motion to accept the 2021 Audit.

**Background:** In 2021 the City Council approved moving from the GAAP basis of accounting to the Kansas Regulatory Basis of Accounting. The financial statements presented in the audit are presented on the Regulatory Basis of Accounting.

**Discussion:** Sean Gordan, Principal with Gordan CPA, LLC will present the 2021 Audit and answer City Council questions. The 2021 Audit contains an unmodified opinion based on the Regulatory Basis of Accounting.

## INDEPENDENT AUDITOR'S REPORT

Mayor and City Council  
City of Bonner Springs, Kansas

### ***Adverse and Unmodified Opinions***

We have audited the accompanying fund summary statement of regulatory basis receipts, expenditures, and unencumbered cash balances of the City of Bonner Springs, Kansas, (the City), as of and for the year ended December 31, 2021 and the related notes to the financial statement.

#### ***Adverse Opinion on U.S. Generally Accepted Accounting Principles***

In our opinion, because of the significance of the matter discussed in the "Basis of Adverse and Unmodified Opinions" section of our report, the accompanying financial statement referred to above does not present fairly, in conformity with accounting principles generally accepted in the United States of America, the financial position of the City as of December 31, 2021, or the changes in financial position and cash flows thereof for the year then ended.

#### ***Unmodified Opinion on Regulatory Basis of Accounting***

In our opinion, the accompanying financial statement referred to above presents fairly, in all material respects, the aggregate cash and unencumbered cash balance of the City as of December 31, 2021, and the aggregate receipts and expenditures for the year then ended in accordance with the financial reporting provisions of the *Kansas Municipal Audit and Accounting Guide* described in Note 1.

### ***Basis for Adverse and Unmodified Opinions***

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS), the standards applicable to financial audits contained in *Governmental Auditing Standards*, issued by the Comptroller General of the United States, and the *Kansas Municipal Audit and Accounting Guide*. Our responsibilities under those standards are further described in the "Auditor's Responsibilities for the Audit of the Financial Statement" section of our report. We are required to be independent of the City, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our adverse and unmodified opinions.

#### ***Matter Giving Rise to Adverse Opinion on U.S. Generally Accepted Accounting Principles***

As discussed in Note 1 of the financial statement, the financial statement is prepared by the City on the basis of the financial reporting provisions of the *Kansas Municipal Audit and Accounting Guide*, which is a basis of accounting other than accounting principles generally accepted in the United States of America. The effects on the financial statement of the variances between the regulatory basis of accounting described in Note 1 and accounting principles generally accepted in the United States of America, although not reasonably determinable, are presumed to be material.

## ***Responsibilities of Management for the Financial Statement***

Management is responsible for the preparation and fair presentation of this financial statement in accordance with the *Kansas Municipal Audit and Accounting Guide* as described in Note 1; this includes determining that the regulatory basis of accounting is an acceptable basis for the preparation of the financial statement in the circumstances. Management is also responsible for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of the financial statement that is free from material misstatement, whether due to fraud or error.

In preparing the financial statement, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the City's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

## ***Auditor's Responsibilities for the Audit of the Financial Statement***

Our objectives are to obtain reasonable assurance about whether the financial statement as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statement.

In performing an audit in accordance with GAAS, we:

- exercise professional judgment and maintain professional skepticism throughout the audit.
- identify and assess the risks of material misstatement of the financial statement, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statement.
- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the City's internal control. Accordingly, no such opinion is expressed.
- evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statement.
- conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the City's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

## ***Emphasis of Matter***

### ***Change in Accounting Principal***

As discussed in Note 10 to the financial statements, the City changed from the GAAP basis of accounting to the Kansas regulatory basis of accounting during the current year. As a result of the change in the accounting basis, fund balances as of January 1, 2021, were restated. Our opinion is not modified with respect to this matter.

## ***Supplementary Information***

Our audit was conducted for the purpose of forming an opinion on the fund summary statement of regulatory basis receipts, expenditures, and unencumbered cash balances (basic financial statement) as a whole. The summary of regulatory basis expenditures-actual and budget, individual fund schedules of regulatory basis receipts and expenditures-actual and budget, schedules of regulatory basis receipts and disbursements-related municipal entity, and the summary of receipts and disbursements-agency (Schedules 1, 2, 3 and 4 as listed in the table of contents) are presented for analysis and are not a required part of the basic financial statement, however are required to be presented under the provisions of the *Kansas Municipal Audit and Accounting Guide*. The accompanying schedule of expenditures of federal awards is presented for purposes of additional analysis as required by Title 2 U.S. Code of Federal Regulations (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, and is not a required part of the basic financial statement. Such information is the responsibility of management and was derived from and relates directly to the underlying

accounting and other records used to prepare the basic financial statement. The information has been subjected to the auditing procedures applied in the audit of the basic financial statement and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statement or to the basic financial statement itself, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the basic financial statement as a whole, on the basis of accounting described in Note 1.

*Other Reporting Required by Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated April 8, 2022, on our consideration of the City's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the City's internal control over financial reporting and compliance.

CITY OF BONNER SPRINGS, KANSAS  
Notes to the Financial Statements  
For the Year Ended December 31, 2021

NOTE 1 - Summary of Significant Accounting Policies

The City of Bonner Springs, Kansas, (the City) is a municipal corporation governed by a mayor and city council. This financial statement presents the City (the primary government) and its related municipal entity. The related municipal entity is included in the City's reporting entity because it was established to benefit the City and/or its constituents.

Library Board - The Bonner Springs Library Board operates the City's public library. Acquisition or disposition of real property by the board must be approved by the City. Bond issuances must also be approved by the City.

Basis of Presentation - Regulatory Basis of Accounting

*Regulatory Basis of Accounting and Departure from Accounting Principles Generally Accepted in the United States of America.* The Kansas Municipal Audit and Accounting Guide (KMAAG) regulatory basis of accounting involves the recognition of cash, cash equivalents, marketable investments, and certain accounts payable and encumbrance obligations to arrive at a net unencumbered cash and investments balance on a regulatory basis for each fund, and the reporting of changes in unencumbered cash and investments of a fund resulting from the difference in regulatory basis receipts and regulatory basis expenditures for the fiscal year. All recognized assets and liabilities are measured and reported at cost unless they have been permanently impaired and have no future cash value or represent no future obligation against cash. The KMAAG regulatory basis does not recognize capital assets, long-term debt, accrued receivables and payables, or any other assets, liabilities or deferred inflows or outflows, other than those mentioned above.

The City has approved a resolution that is in compliance with K.S.A. 75-1120a(c), waiving the requirement for application of generally accepted accounting principles and allowing the City to use the regulatory basis of accounting.

Reimbursed Expense

K.S.A. 79-2934 provides that reimbursed expenditures, in excess of those budgeted, should be recorded as reductions in expenditures rather than as cash receipts. In the financial statement and budget schedule comparisons presented in this report, reimbursements and refunds are recorded as cash receipts. The reimbursements are recorded as cash receipts when received by the City Treasurer and are often difficult to identify the exact expenditure which they are reimbursing. In funds showing expenditures in excess of the original adopted budget, reimbursements are added to the adopted budget as budget credits for comparison with the actual expenditures.

Property Taxes

In accordance with governing state statutes, property taxes levied during the current year are a revenue source to be used to finance the budget of the ensuing year. Taxes are assessed on a calendar year basis and become a lien on the property on November 1st of each year. The County Treasurer is the tax collection agent for all taxing entities within the County. Property owners have the option of paying one-half or the full amount of taxes levied on or before December 20 during the year levied with the balance to be paid on or before May 10 of the ensuing year. State statutes prohibit the County Treasurer from distributing taxes collected in the year levied prior to January 1st of the ensuing year. Consequently, for revenue recognition purposes, taxes levied during the current year are not due and receivable until the ensuing year. On December 31 of each year, such taxes become a lien on the property.

Special Assessments

Kansas statutes require projects financed in part by special assessments to be financed through the issuance of general obligation bonds which are secured by the full faith and credit of the City. Special assessments paid prior to the issuance of general obligation bonds are recorded as cash receipts in the appropriate project. Special assessments received after the issuance of general obligation bonds are recorded as cash receipts in the bond and interest fund. Further, state statutes require levying additional general ad valorem property taxes in the City bond and interest fund to finance delinquent special assessments receivable.

Regulatory Basis Fund Types

A fund is defined as an independent fiscal and accounting entity with a self-balancing set of accounts recording cash and other financial resources, together with all related liabilities and residual equities or balances, and changes therein, which are segregated for the purpose of carrying on specific activities or attaining certain objectives in accordance with special regulations, restrictions, or limitations. The following types of funds comprise the financial activities of the City of Bonner Springs, Kansas, for the year of 2021:

General Fund - the chief operating fund. Used to account for all resources except those required to be accounted for in another fund.

Special Purpose Fund - used to account for the proceeds of specific tax levies and other specific revenue sources (other than Capital Project and tax levies for long-term debt) that are intended for specified purposes.

Bond and Interest Fund - used to account for the accumulation of resources, including tax levies, transfers from other funds and payment of general long-term debt.

Capital Project Fund - used to account for the debt proceeds and other financial resources to be used for acquisition or construction of major capital facilities or equipment.

Business Fund - funds financed in whole or in part by fees charged to users of the goods or services (i.e., enterprise and internal service fund etc.)

Trust Fund - funds used to report assets held in trust for the benefit of the City (i.e., pension funds, investment trust funds, private purpose trust funds which benefit the City, scholarship funds, etc.)

Agency Fund - funds used to report assets held by the City in a purely custodial capacity (payroll clearing fund, court bond funds, etc.).

Budgetary Information

Kansas statutes require that an annual operating budget be legally adopted for the general fund, special purpose funds (unless specifically exempted by statute), bond and interest funds, and business funds. Although directory rather than mandatory, the statutes provide for the following sequence and timetable in the adoption of the legal annual operating budget:

1. Preparation of the budget for the succeeding calendar year on or before August 1st.
2. Publication in local newspaper of the proposed budget and notice of public hearing on the budget on or before August 5th.
3. Public hearing on or before August 15th, but at least ten days after publication of notice of hearing.
4. Adoption of the final budget on or before August 25th.

If the City is holding a revenue neutral rate hearing, the budget timeline for adoption of the final budget has been adjusted to on or before September 20th. The City did not hold a revenue neutral rate hearing for this year.

The statutes allow for the governing body to increase the originally adopted budget for previously unbudgeted increases in regulatory receipts other than ad valorem property taxes. To do this, a notice of public hearing to amend the budget must be published in the local newspaper. At least ten days after publication, the hearing may be held, and the governing body may amend the budget at that time. The original budget was amended for the Special Parks and Recreation, Street Projects, Wastewater Collection/Treatment, Water Treatment/Distribution, Bonner Springs Center CID City Contribution and Bonner Springs Center CID Sales Tax funds.

The statutes permit transferring budgeted amounts between line items within an individual fund. However, such statutes prohibit expenditures in excess of the total amount of the adopted budget of expenditures of individual funds.

NOTE 1 - Summary of Significant Accounting Policies (Continued)

Budgetary Information (Continued)

Budget comparison schedules are presented for each fund showing actual receipts and expenditures compared to legally budgeted receipts and expenditures.

All legal annual operating budgets are prepared using the regulatory basis of accounting, in which regulatory receipts are recognized when cash is received and expenditures include disbursements, accounts payable, and encumbrances, with disbursements being adjusted for the prior year's accounts payable and encumbrances. Encumbrances are commitments by the City for future payments and are supported by a document evidencing the commitment, such as a purchase order or contract. Any unused budgeted expenditure authority lapses at year end.

A legal operating budget is not required for capital project funds, trust funds, and the special purpose funds presented on pages 37-38.

Spending in funds which are not subject to the legal annual operating budget requirement is controlled by federal regulations, other statutes, or by the use of internal spending limits established by the governing body.

NOTE 2 - Deposits and Investments

K.S.A 9-1401 establishes the depositories which may be used by the City. The statute requires banks eligible to hold the City's funds have a main branch or branch bank in the county in which the City is located, or in an adjoining county if such institution has been designated as an official depository, and the bank provides an acceptable rate of return on funds. In addition, K.S.A. 9-1402 requires the banks to pledge securities for deposits in excess of FDIC coverage. The City has no other policies that would further limit interest rate risk.

K.S.A 12-1675 limits the City's investment of idle funds to time deposits, open accounts, and certificates of deposit with allowable financial institutions; U.S. Government securities; temporary notes; no-fund warrants; repurchase agreements; and the Kansas Municipal Investment Pool. The City has no investment policy that would further limit its investment choices.

*Concentration of credit risk.* State statutes place no limit on the amount the Government may invest in any one issuer as long as the investments are adequately secured under K.S.A. 9-1402 and 9-1405.

*Custodial credit risk - deposits.* Custodial credit risk is the risk that in the event of a bank failure, the City's deposits may not be returned to it. State statutes require the City's deposits in financial institutions to be entirely covered by federal depository insurance or by collateral held under a joint custody receipt issued by a bank within the State of Kansas, the Federal Reserve Bank of Kansas City, or the Federal Home Loan Bank of Topeka. All deposits were legally secured as of December 31, 2021.

As of December 31, 2021, the City's and Library's carrying amount of deposits were \$17,227,597 and \$262,038, respectively, and the bank balances were \$17,709,188 and \$265,012, respectively. The City's bank balance was held by one bank and the Library's bank balance was held by one bank, resulting in a concentration of credit risk. Of the City's bank balance, \$250,000 was covered by federal depository insurance and the balance of \$17,459,188 was collateralized with pledged securities held by the pledging financial institutions' agents in the City's name. Of the Library's bank balance, \$250,000 was covered by federal depository insurance and the balance of \$15,012 was collateralized with pledged securities held by the pledging financial institutions' agents in the Library's name.

**NOTE 4 - Defined Benefit Pension Plan**

*Plan Description.* The City and the Library participate in the Kansas Public Employees Retirement System (KPERS), a cost-sharing, multiple-employer defined benefit pension plan as provided by K.S.A. 74-4901, et. seq. Kansas law establishes and amends benefit provisions. KPERS issues a publicly available financial report that includes financial statements and required supplementary information. KPERS' financial statements are included in its Comprehensive Annual Financial Report which can be found on the KPERS website at [www.kpers.org](http://www.kpers.org) by writing to KPERS (611 South Kansas, Suite 100, Topeka, KS 66603) or by calling 1-888-275-5737.

*Contributions.* K.S.A. 74-4919 and K.S.A. 74-49,210 establish the KPERS member-employee contribution rates. KPERS has multiple benefit structures and contribution rates depending on whether the employee is a KPERS 1, KPERS 2 or KPERS 3 member. KPERS 1 members are active and contributing members hired before July 1, 2009. KPERS 2 members were first employed in a covered position on or after July 1, 2009, and KPERS 3 members were first employed in a covered position on or after January 1, 2015. Effective January 1, 2015, Kansas law established the KPERS member-employee contribution rate at 6% of covered salary for KPERS 1, KPERS 2 and KPERS 3 members. K.S.A. 74-4975 establishes KP&F member-employee contribution rate at 7.15% of covered salary. Member contributions are withheld by their employer and paid to KPERS according to the provisions of Section 414(h) of the Internal Revenue Code.

CITY OF BONNER SPRINGS, KANSAS  
Notes to the Financial Statements  
For the Year Ended December 31, 2021

**NOTE 4 - Defined Benefit Pension Plan (Continued)**

State law provides that the employer contribution rates for KPERS 1, KPERS 2, KPERS 3 and KP&F be determined based on the results of each annual actuarial valuation. Kansas law sets a limitation on annual increases in the employer contribution rates. The actuarially determined employer contribution rate (not including the 1% contribution rate for the Death and Disability Program) and the statutory contribution rate was 8.87% for KPERS and 22.80% for KP&F for the fiscal year ended December 31, 2021. Contributions to the pension plan from the City were \$276,821 for KPERS and \$324,854 for KP&F for the year ended December 31, 2021. Contributions to the pension plan from the Library were \$27,023 for the year ended December 31, 2021.

*Net Pension Liability.* As of December 31, 2021, the City's proportionate share of the collective net pension liability reported by KPERS was \$1,853,008 and \$2,368,072 for KP&F. As of December 31, 2021, the Library's proportionate share of the collective net pension liability reported by KPERS was \$291,473. The net pension liability was measured as of June 30, 2021, and the total pension liability used to calculate the net pension liability was determined by an actuarial valuation as of December 31, 2020, which was rolled forward to June 30, 2021. The City's and Library's proportion of the net pension liability was based on the ratio of the City's and Library's contributions to KPERS, relative to the total employer and non-employer contributions of the Local and Police & Firemen subgroups within KPERS. Since the KMAAG regulatory basis of accounting does not recognize long-term debt, this liability is not reported in this financial statement.

The complete actuarial valuation report, including all actuarial assumptions and methods, and the report on the allocation of the KPERS collective net pension liability to all participating employers are publicly available on the KPERS website at [www.kpers.org](http://www.kpers.org) or can be obtained as described above.

**NOTE 5 - Other Long-Term Obligations from Operations**

*Other Post-Employment Benefits.* As provided by K.S.A. 12-5040, the City allows retirees to participate in the group health insurance plan. While each retiree pays the full amount of the applicable premium, conceptually, the City is subsidizing the retirees because each participant is charged a level of premium regardless of age. However, the cost of this subsidy has not been quantified in this financial statement.

Under the Consolidated Omnibus Budget Reconciliation Act (COBRA), the City makes health care benefits available to eligible former employees and eligible dependents. Certain requirements are outlined by the federal government for this coverage. The premium is paid in full by the insured.

*Death and Disability Other Post-Employment Benefits.* As provided by K.S.A. 74-4927, disabled members in the Kansas Public Employees Retirement System (KPERS) receive long-term disability benefits and life insurance benefits. The plan is administered through a trust held by KPERS that is funded to pay annual benefit payments. The employer contribution rate is set at 1% for the year ended December 31, 2021.

*Compensated Absences.* It is the City's policy to permit employees to accumulate earned but unused vacation and sick pay benefits.

*Vacation Leave.* All full-time employees, including Library employees, who work at least 40 hours per week are entitled to vacation leave time according to the following table:

|                                                  | Years of Continuous Employment |     |       |     |

On June 1, 2021, the City entered into a loan agreement with the Kansas Department of Health and Environment (KDHE) to finance the construction of a water treatment plant. The loan is for a maximum principal of \$22,000,000, carries a gross interest rate of 1.61%, and is payable in semi-annual installments. \$331,965 was drawn against the agreement during the year ended December 31, 2021. Annual debt service requirements to maturity are not available as the loan was not finalized as of December 31, 2021.

CITY OF BONNER SPRINGS, KANSAS  
Notes to the Financial Statements  
For the Year Ended December 31, 2021

NOTE 7 - Economic Development Bonds

From time to time, the City has issued Industrial Revenue Bonds to provide financial assistance to private-sector entities for the acquisition and construction of industrial and commercial facilities deemed to be in the public interest. The bonds are secured by the property financed and are payable solely from payments received on the underlying mortgage loans. Upon repayment of the bonds, ownership of the acquired facilities transfers to the private-sector entity served by the bond issuance. Neither the City, the State of Kansas, nor any political subdivision thereof is obligated in any manner for repayment of the bonds. As of December 31, 2021, there were seven industrial revenue bond issues with principal balances due totaling \$22,450,250.

NOTE 8 - Risk Management

The City is exposed to various risks of loss related to torts; theft of, damage to, or destruction of assets; errors and omissions; injuries to employees; employees' health and life; natural disasters; and other events for which the City carries commercial insurance. Settled claims resulting from these risks have not exceeded commercial insurance coverage in any of the past three fiscal years.

NOTE 9 - Contingencies

The City receives significant financial assistance from numerous federal and state governmental agencies in the form of grants and state pass-through aid. The disbursement of funds received under these programs generally requires compliance with the terms and conditions specified in the grant agreements and is subject to audit. Any disallowed claims resulting from such audits could become a liability of the General Fund or other applicable funds. However, in the opinion of management, any such disallowed claims would not have a material effect on the financial statement of the City as of December 31, 2021.

The City is a party to various claims, none of which is expected to have material financial impact on the City.

NOTE 10 - Change in Accounting Principle

During the year ended December 31, 2021, the City changed from the GAAP basis of accounting to the Kansas regulatory basis of accounting.

## CITY OF BONNER SPRINGS, KANSAS

### Notes to the Schedule of Expenditures of Federal Awards For the Year Ended December 31, 2021

#### 1. Organization

The City of Bonner Springs, Kansas, (the City), is the recipient of several federal awards. All federal awards received directly from federal agencies as well as those awards that are passed through other government agencies, are included on the Schedule of Expenditures of Federal Awards.

#### 2. Basis of Presentation

The accompanying Schedule of Expenditures of Federal Awards includes the federal grant activity of the City and is presented on the Kansas regulatory basis of accounting which includes cash disbursements, accounts payable and encumbrances. The information presented in this schedule is in accordance with the requirements of *Title 2 U.S. Code of Federal Regulations (CFR) Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*. Therefore, some amounts presented in this schedule may differ from amounts presented in or used in the preparation of the basic financial statements. The City elected not to use the 10% de minimis indirect cost rate.

#### 3. Local Government Contributions

Local cost sharing is required by certain federal grants. The amount of cost sharing varies with each program. Only the federal share of expenditures is presented in the Schedule of Expenditures of Federal Awards.

#### 4. Additional Audits

Grantor agencies reserve the right to conduct additional audits of the City's grant programs for economy and efficiency and program results that may result in disallowed costs to the City. However, management does not believe such audits would result in any disallowed costs that would be material to the City's financial position at December 31, 2021.

#### 5. Outstanding Loans

The City did not have any outstanding loans under any federal grants as of December 31, 2021.

#### 6. Pass Through Numbers

Pass through numbers have not been assigned to pass through grants on the Schedule of Expenditures of Federal Awards.

Section II - Financial Statement Findings

Prior Year Findings

Finding 2020-1

Condition: Material adjustments were identified related to retainage payable and investments held by the housing authority.

Criteria: Management is responsible for designing internal controls that are sufficient to ensure that financial statement balances are appropriately reported.

Context: After reviewing housing authority balances, an adjusting journal entry was required to properly report investment balances which resulted in a prior period adjustment in the amount of \$195,284. Retainage payable was identified during testing in the amount of \$701,671 that had not been recorded.

Cause: Internal controls over the financial reporting process were not sufficient to identify the entries noted above.

Effect: Financial statement balances could be materially misstated.

Recommendations: We recommend that management review and updated policies and procedures related to the financial reporting process to ensure that balances are appropriately stated.

Status: Resolved

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING  
AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS  
PERFORMED IN ACCORDANCE WITH "GOVERNMENT AUDITING STANDARDS"

Mayor and City Council  
City of Bonner Springs, Kansas

We have audited, in accordance with auditing standards generally accepted in the United States of America, the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, and the *Kansas Municipal Audit and Accounting Guide*, the financial statements of the City of Bonner Springs, Kansas (the City), as of and for the year ended December 31, 2021, and the related notes to the financial statements, which collectively comprise the City's basic financial statements, and have issued our report thereon dated April 8, 2022.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the City's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the City's internal control. Accordingly, we do not express an opinion on the effectiveness of the City's internal control.

A deficiency in internal controls exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A material weakness is a deficiency, or combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the financial statements will not be prevented or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charge with governance.

Our consideration of internal control over financial reporting was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over financial reporting that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the City's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR EACH MAJOR FEDERAL PROGRAM  
AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE

Mayor and City Council  
City of Bonner Springs, Kansas

Report on Compliance for Each Major Federal Program

We have audited the compliance of the City of Bonner Springs, Kansas (the City), with the types of compliance requirements identified as subject to audit in the *OMB Compliance Supplement* that could have a direct and material effect on each of the City's major federal programs for the year ended December 31, 2021. The City's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

In our opinion, the City complied, in all material respects, with the compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended December 31, 2021.

Basis for Opinion on Each Major Federal Program

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America (GAAS); the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States (*Government Auditing Standards*); and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Our responsibilities under those standards and the Uniform Guidance are further described in the Auditor's Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of the City and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal program. Our audit does not provide a legal determination of the City's compliance with the compliance requirements referred to above.

Responsibilities of Management for Compliance

Management is responsible for compliance with the requirement referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules and provisions of contracts or grants agreements applicable to the City's federal programs.

Auditor's Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion of the City's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS, *Government Auditing Standards*, and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material, if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgement made by a reasonable user of the report on compliance about the City's compliance with the requirements of each major federal program as a whole.

In performing an audit in accordance with GAAS, *Government Auditing Standards*, and the Uniform Guidance, we

- exercise professional judgement and maintain professional skepticism throughout the audit.

- identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding Example Entity's compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- obtain an understanding of the City's internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of the City's internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies, and material weaknesses in internal control over compliance that we identified during the audit.

#### Other Matters

The results of our auditing procedures disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

#### Report on Internal Control Over Compliance

A *deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of the internal control over compliance was for the limited purpose described in the Auditor's Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in the internal control over compliance that might be material weaknesses or significant deficiencies. Given these limitations, we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

#### Report on Schedule of Expenditures of Federal Awards Required by the Uniform Guidance

We have audited the financial statements of the City as of and for the year ended December 31, 2021, and have issued our report thereon dated April 8, 2022, which contained an unmodified opinion on those financial statements. Our audit was performed for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal awards is presented for purposes of additional analysis as required by the Uniform Guidance and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the schedule of expenditures of federal awards is fairly stated in all material respects in relation to the financial statements as a whole.

## Memorandum

Date: May 9, 2022  
To: Mayor and City Council  
From: Amber Vogan

### **Subject: City-wide Signage Project Bid Rejection**

---

**Recommendation:** Staff recommends rejection of the bid.

**Action:** Make a motion to reject the bid received from MegaKC for the city-wide signage project.

**Background:** Landworks Studio completed the Parks Master Plan update which included a preliminary design for parks' signage. Staff requested a proposal to update the design of all signage in the City to coordinate with the parks' signage. The City contracted with Landworks Studio to complete design and construction documents for welcome, wayfinding, and parks signs throughout the City. Wilson and Company, the City's engineering contractor, completed the engineering and bid package documents.

**Discussion:** The bid package was published in the *Wyandotte Echo*, in several bid posting categories on our website, and at the Drexel plan house used for most city projects. The Drexel plan house has thousands of subscribers that receive bid project notices. Through the website bid posting, the notice was sent out to 252 subscribers including other plan houses that post and share public projects.

The original project cost estimate from Landworks Studio, who completed the designs, was \$154,440. The City Engineer updated the cost estimate for the project to \$195,250 due to current material costs. The City received one bid from MegaKC for a total of \$651,500 which is attached and includes the cost per sign.

To reduce the overall cost, staff plans to break the project into smaller jobs by signage category. For example, staff requested quotes from three local companies for the seven wayfinding signs which ranged from a little over \$3,000 to around \$7,000 to include the manufacturing of all seven signs. Installation of these seven signs would be handled by in-house staff. The manufacturing and installation of the wayfinding signs will be the first phase of the project.

**Financial Impact:** There is no financial impact to rejecting the bid. The 2022 Capital Improvement Plan budget includes \$194,650 for the project. After manufacturing the wayfinding signs for the first phase of the project, the remaining budget will be approximately \$190,650 for the park and gateway signs.

### **Subject: Charter Ordinance - Property Maintenance**

---

#### **Recommendation:**

**Action:** Make a motion adopt a Home Rule Ordinance relating to the creation of a code enforcement administrative penalty process.

**Background:** The intent of Code Enforcement is to ensure properties in the City comply with our Code of Ordinances so our residents may enjoy a cleaner, safer, and better place to live. The goal is to provide education, guidance, and direction to our residents and businesses in order to gain voluntary compliance. While the majority of our residents recognize the importance of property maintenance and code compliance, there are some situations that have been difficult for staff to bring into compliance.

In 2021 staff met with local officers of the Kansas Association of Code Enforcement (KACE) and Councilmembers Bob Reeves and Rodger Shannon. During this meeting, attendees discussed code enforcement issues in the City and best practices in the field and locally. Several recommendations were discussed to increase compliance for code enforcement violations. One of these recommendations was to implement an administrative citation process similar to the one used in Kansas City, Kansas. This process was adopted by ordinance in 2021, but didn't specifically authorize the City to collect unpaid citations.

**Discussion:** The attached ordinance formally authorizes the administrative citation process for police power purposes, and includes language for the City to collect any unpaid citations through property tax assessments, the Kansas State Set-Off Program, or by any other legal means. The administrative citation is \$150 for the first violation, increasing in increments of \$100 for each successive violation with a maximum violation penalty of \$5,000. For example, the initial violation citation would be \$150, the next \$250, next \$350, and so on up to \$5,000. Staff is able to issue an administrative citation every 30 days until the violation is corrected.

**Financial Impact:** There is a minimal cost for publication of the ordinance in the *Wyandotte Echo*. The changes included in the ordinance are meant to increase compliance, and collect unpaid citations, so there will not be any negative financial impact with enforcement changes.

**CHARTER ORDINANCE NO. \_\_\_\_\_**

**A Home Rule Ordinance of the City of Bonner Springs, Kansas, Relating to the  
Creation of a Code Enforcement Administrative Penalty Process.**

**WHEREAS**, the Governing Body of the City of Bonner Springs, Kansas, (the “City”) has considered the needs of the City and its ability to effectively enforce housing and property maintenance codes thus providing for the general welfare of the City and its citizens; and

**WHEREAS**, the City is authorized by Article 12, Section 5 of the Constitution of the State of Kansas (the “Home Rule Amendment”) to determine its local affairs and government, and provided such power and authority granted thereby to cities shall be liberally construed for the purpose of giving cities the largest measure of self-government; and

**WHEREAS**, there is no enhancement of the Kansas Legislature which prohibits the City from enforcing the Code of the City of Bonner Springs, Kansas, by way of administrative citations, for police power purposes; and

**WHEREAS**, the Governing Body of the City hereby finds that pursuant to and in furtherance of the purposes of the Home Rule Amendment, it is in the interest of the public health, safety and welfare of the City to create a code enforcement administrative citation penalty process, for police power purposes;

**Now, Therefore Be It Ordained By The Governing Body Of The City Of Bonner Springs:**

**Section 1.** Section 11-201. Notice of Violation. is to read as follows:

Notice for all weeds, noxious weeds, and uncontrolled vegetation shall follow the provisions defined in Section 11-503. Notice. Any owner, occupant, or person found by the Code Official to be in violation of any other section or article of this Chapter shall be sent a written notice of such violation which shall include all of the following:

- (a) Address or legal description of the premises;
- (b) Statement of the date of the violation(s) and a description of the conditions which caused the code violation to include the section of code determined to have been violated;
- (c) Corrective order that allows ten (10) days from the date of the mailing of a violation notice to bring the premises into compliance;
- (d) Entitlement to request an appeal process wherein a person in receipt of a notice of violation has ten (10) days from the date of the mailing of the violation notice to request a hearing on the matter before the Governing Body, as provided in Section 11-206; and
- (e) Information concerning the penalty for failure to abate the violation or to request a hearing within the time allowed:
  - (1) The amount of the penalty the citee is to pay;
  - (2) The date, 30 days from issuance of the citation, by which the citee must pay the penalty;

- (3) The method of paying the penalty; and
- (4) That failure to pay the penalty, abate the violation, and/or request a hearing within the time allowed may result in prosecution under Section 11-204 and/or abatement of the condition(s) by the City or its authorized agent under Section 11-205 with the costs assessed against the property, either by lien or special assessment, under Section 11-207.
- (f) Notice that the citee's payment of the penalty does not excuse continued or subsequent violation(s) of the code.

Notice and opportunity to remedy a violation shall be considered given if a previous notice has been sent within the previous 24 months.

**Section 2.** Section 11-204. Penalty. is to read as follows:

- (a) Any person, who shall violate a provision of this Chapter, or fail to comply therewith, or with any of the requirements thereof, shall be guilty of a Class C violation as prescribed by the Public Offense Code of the City and shall be prosecuted within the limits provided by State or local laws. Each day that a violation continues after due notice has been served shall be deemed a separate offense. The application of the above penalty shall not be held to prevent the abatement of prohibited conditions.
- (b) Re-inspection Fees. If the owner fails to abate a violation by the stated re-inspection date, the owner will be charged a failed re-inspection fee for each unabated violation. Additionally, if a Notice to Appear is issued to the owner, a failed pre-court inspection fee will be charged for each and every court appearance. Payment is due within 30 days following receipt of the notice to pay and if not received, the costs will be assessed according to 11-207(b).
- (c) Administrative Citation. Any person who shall violate a provision of this Chapter, or fail to comply therewith, or with any of the requirements thereof, may be issued an administrative citation and be required to pay a civil penalty as listed in the City Fee Schedule for each separate violation of a code provision within any 24-month period. A citation may be issued under this section every thirty (30) days by any enforcement officer until such violation is corrected.

**Section 3.** 11-206. Means of Appeal. is to read as follows:

Any person directly affected by a decision of the Code Official or a notice or order issued under this Code shall have the right to appeal to the Governing Body. Such request for an appeal shall be made in writing to the City Clerk within ten (10) days from the mailing, delivery, or posting of the notice. Failure to make a timely request for an appeal shall constitute a waiver of the person's right to contest the findings of the Code Official before the Governing Body. If an administrative citation was issued and the citee files a timely request for an appeal, the requirement to pay the penalty shall be suspended and the payment of the penalty, if any, shall be in accordance with the decision of the Governing Body. A hearing on the appeal shall be held by the Governing Body as soon as possible after the filing of the request and the person shall be advised by the City of the time and place of the hearing at least five (5) days in advance thereof. At any such hearing, the person may be represented by counsel, and the person and the City may introduce such witnesses and evidence as is deemed necessary and proper by the Governing

Body. The hearing need not be conducted according to the formal rules of evidence. If the citee requesting the review fails to appear, the Governing Body shall uphold the decision of the Code Official, the notice or order issued, and any fees and/or citations. Upon conclusion of the appeal hearing, the Governing Body shall record its determination of the matter by adoption of a resolution and serving the resolution upon the person in the matter provided in Section 11-205. Any person affected by any determination of the Governing Body under Sections 11-205 or 11-206 may appeal such determination in the manner provided by K.S.A. 60-2101.

**Section 4.** Section 11-207. Costs Assessed. is to read as follows:

If the City abates the violation pursuant to 11-205, and/or charges a failed re-inspection fee pursuant to Section 11-204(b), and/or charges an administrative citation pursuant to Section 11-204(c), the City shall give notice to the owner or his or her agent by First Class Mail of the total cost of the abatement incurred by the City, and/or the failed re-inspection fee, and/or the total administrative citation. The notice shall also state that the payment is due and payable within (30) days following receipt of the notice. If the notice is not paid within the (30) day period, the payment shall be collected in the following manner:

- (a) Under provisions outlined in K.S.A. 12-1,115, and amendments thereto; or
- (b) By lien or levy of a special assessment against the property on which the violation is located until the full cost and applicable interest has been paid in full. The City Clerk, at the time of certification of other City taxes, shall certify the unpaid portion of the costs and the County Clerk shall extend the same on the tax rolls of the County against such property and it shall be collected by the County Treasurer and paid to the City as other City taxes are collected and paid; or
- (c) May be collected through the Kansas State Set-off Program or another collection agency; or
- (d) By use of all available legal means.

**Section 5.** This charter ordinance shall be published once each week for two consecutive weeks in the official city newspaper.

**Section 6.** This charter ordinance shall take effect 61 days after final publication unless a sufficient petition for a referendum is filed and a referendum held on the ordinance as provided in Article 12, Section 5, of the Constitution of the State of Kansas, in which case the ordinance shall become effective if approved by the majority of the electors thereon.

Passed by the Governing Body, not less than two-thirds of the members-elect voting in favor thereof, this \_\_\_\_ day of \_\_\_\_\_, 2022.

# City Manager's Update

Date: May 5, 2022

To: Mayor and City Council

---

## General

**A LOT of things going on this weekend. On May 7, here's a list of things to do:**

- Bonner Springs Farmers' Market Opens (8a.m. to Noon) with a bounce house and drum safari (11:00 a.m.)
- Maker's Fair in Downtown (10 a.m. to 4 p.m.)
- Pancakes from the Lions Club of Bonner Springs Kansas Club (8 a.m. to 11)
- Rotary Derby Days Fundraiser (6 p.m.)
- We need your input! The Housing Survey and Citizen Survey are both active. Between the two surveys we have received 218 responses.
  - The housing needs survey will have been extended to May 15th. The Citizen Survey, focusing on the Comprehensive Plan and Future Land Use Map, will close May 9th. Please take the surveys and share with your friends and family in the community so we can get a good response rate and data sample. You do not have to be a resident to take share your input. There are plenty of people who work in the City or visit often that we would like to hear from also.

Visit [www.bonnerrsprings.org/HousingSurvey](http://www.bonnerrsprings.org/HousingSurvey) and [www.bonnerrsprings.org/CitizenSurvey](http://www.bonnerrsprings.org/CitizenSurvey)

- Structural repair at 125 Oak has begun
- **2022 Community Survey Data** – The UG, facilitated by ETC Institute, collects feedback from each neighborhood and district across Wyandotte County which provides insight into multiple services and program areas. You can access the District 7 (Bonner Springs) report [here](#). The City of Bonner Springs is presently working to review details and analysis specific to Bonner Springs.
- **American Rescue Plan Act Funding for Non-Profit Organizations Now Available** - This week we have launched a Notice of Funding Availability (NOFA) for the American Rescue Act Plan local recovery funds. The grant program will be open to all Wyandotte County non-profit organizations. This funding can be used for various projects. [Read more, watch the recorded information session, and start your application today!](#)

## Public Works

- New Water Treatment Plant Project – meeting weekly
  - Developing pricing options for equipment, delivery timelines
  - Pursuing easements where needed, clarifying existing easements

## Recreation

- Current cap of 35 kids per week on camp due to lack of staff – which has been met. We will increase if staff becomes available, and have a waitlist for campers.
- Still in need of more summer staff! Need Summer Camp workers, Umpires, and Lifeguards!
