**NEW BUSINESS -**

**July 18th Concert** - the 35th Infantry was supposed to be in Emporia. They reached out to Damian about a joint concert on 7/18. Based out of Olathe. They would need a formal request, parking info, and an overhead view of park. There are 32 of them.

Motion by Patricia, Second by Etta

Damian will submit the 'formal' request. Justine will send Damian an overhead view of the park and parking info.

**2024 Budget** - Discussion on shirts: Etta will have a final count later

DQ Gift Cards: Don mentioned that we were not planning on handing out DQ gift cards to each of the volunteers that help set up. There are 10 of them. Patricia proposed that we do away with the DQ gift cards. Elaine said that would negatively effect the band attendance. Etta agreed. Elaine stated that other bands receive some sort of compensation. Danni asked if we really needed 10 volunteers. Group, stated no. Possibly just 5. Don asked how much was spent on food. JS responded with \$428.68, 22 large pizzas, water & ice. Elaine: not as appreciated.

Damian reported that some of the timpani wheels were needing replaced. JS will ask Public Works to address this issue.

This year we will continue with 18 pizzas and water.

**REPORTS -**

**CITIZEN CONCERNS -**

**Items Not on Agenda** - Don asked about procedures on what to do in case of inclement weather: JS needs to know by 12PM so that Jared can move trailer as need. More on this next year.

Don asked what concerts the directors would be gone. Damian said that there will be a director at each concert.

Elaine asked about how to hand out gift cards as to not give any to the 35th infantry. They can get raffle tickets but not the DQ gift cards.

Motion to adjourn at 7:30PM
